

(Maximum of 10 semester credits allowable)

This form must be accompanied by the Graduate School Application and a non-refundable application fee (\$ domestic/\$ international). Your graduate dean's signature in Part II will be accepted in lieu of admission tests and official transcript(s) of your record.

TRANSIENT status may be given to persons who are regularly enrolled graduate students in good standing at another accredited university. Such status is valid only for the courses and semester specified. Transient students are subject to the rules and regulations as regularly enrolled students of The University of Akron.

Subsequent requests for transient status must follow the same procedure, except that an application fee is only required once.
