

Questions and Answers About Tuberculosis Screening and Testing

and he/she has been contacted by Student Health Services to make an appointment for a TB test.

How do I know if I am required to have a TB test?

You will receive an email from Student Health Services if you are required by the university to have a TB test.

What is the due date to complete TB screening and/or testing?

Due dates will be listed in your email from Student Health Services.

I had a TB test before arriving at The University of Akron. Do I need to take another test?

If your TB test was not done in the United States, we cannot accept it. You will need to have another TB test at Student Health Services.

If you had a TB test done in the United States less than 6 months ago, please email the results to healthservices@uakron.edu. A staff member will review the results. If you need another TB test, the staff member will email you.

How do I make an appointment for the TB test?

Students may call 330-972-7808 or email healthservices@uakron.edu to schedule an appointment.

Please arrive at the time of your scheduled appointment. You may be asked to reschedule your appointment if you arrive past your appointment time.

Where is Student Health Services located?

Suite 260 inside the Student Recreation and Wellness Center on campus

How is the TB test performed?

The test is a small blood sample. You may eat and drink as normal before your test.
